PERFORMANCE YOU CAN COUNT ON

**REDUCE
YOUR
HEAVY
EQUIPMENT
DOWN
TIME**

The York 4-14HD hydraulic line boring machine built for more power.

With up to 351ft.lbs. of torque at the bar and a feed motor that delivers 30 ft.lbs. of torque, heavy cuts are made easy. York has two options available to suit every users need, the

manual control machine with a 5hp hydraulic power unit and the remote control machine with a 10hp hydraulic power unit.
